

Self-reflection

YOUR JOURNAL TOWARDS RECONCILIATION

1. How has your understanding of Inuit culture changed after reading chapter 1?

2. How do you think the dog slaughter impacted the ability of Inuit to provide for their families and communities? What impacts might it have had on Inuit social structures?

3. How do you think that the crisis has impacted families, communities and future generations?

4. Can you imagine paying \$9.00 for two litres of milk? Or \$14.00 for orange juice? How do you think these costs impact a family's ability to provide for themselves?
